Gleb Tkach

PERSONAL DETAILS

Location	St. Petersburg, Russia
Birth	December 27, 2000
Phone	+7(981)179-95-17
E-Mail	`vovkineo@mail.ru`

EDUCATION

Baccalaureate　　　　　　　　　　　　　　　　　　　　2018-2022
ITMO University, St. Petersburg, Russia
　　Computer science

ADDITIONAL EDUCATION

Summer Computer School　　　　　　　　　　　　　　2016-2017
lksh.ru
　　Studying algorithms and data structures

Informatics winter camp　　　　　　　　　　　　　　　2017
olymp.innopolis.ru
　　Innopolis training camp
　Studying algorithms and data structures

Moscow Workshops Juniors　　　　　　　　　　　　　　2018
MIPT training camp
　　Preparing for competitive programming olympiads

WORK EXPERIENCE

Software engineer　　　　　　　　　　　　　　2021—Until now
Huawei Data Algorithm Technology Center
　　Developer in Data reduction team

SKILLS

Programming Languages	C++, Java, Python, Kotlin, Go
Technical skills	Algorithms and Data Structures
	ML algorithms knowledge
	Basic web-programming
	Basic experience with frameworks (Spring, Vue.js)
	Experience with Bash

Concurrent programming experience
Intermediate level of sql-programming

Languages   Russian (native), English (C1)

PROJECTS

Fast hash-based additive accumulators   source link
Cryptographic accumulators. Based on this article
    C++

UM Discord bot   source link
Discord app for managing online board game tournaments
    Python

MaxSAT partition optimization   source link
Graduation project
    Python

ACHIEVEMENTS

ICPC Northern Eurasia Finals   2019/20
Third degree diploma
    60th place

ICPC North-Western Russia Regional Contest   2019/20
13th *place*

All-Siberian Programming Contest named after I.V. Pottosin   2019
Second degree diploma
    22nd place

Individual Olympiad in informatics   2018
First degree diploma
    21st place out of 1000+

DatsTeam hackathon — DatsDefence   source link
5th *place out of 200+*

DatsTeam hackathon — DatsBlack   source link
12th *place out of 200+*
